

Preliminary Programme

Novel Concepts in Innate Immunity 2023 Tübingen & Digital

Wednesday
31 May 2023

Thursday
01 June 2023

Friday
02 June 2023

	08:45–10:00 Trained innate immunity	08:45–10:30 Nucleic-acid driven innate immunity
	10:00–10:30 Lightning talks	
	Coffee break	Coffee break
	11:15–12:30 Innate lymphoid cells	11:15–12:30 Innate immunity in the skin
	12:30–13:30 Lunchtime seminar	12:30–13:30 Lunchtime seminar
13:00–13:15 Welcome remarks	13:30–14:45 Metabolic regulation of innate immunity	13:30–14:45 Innate Immunity and oncogenesis
13:15–15:00 Pattern recognition receptors and inflammasomes	14:45–15:15 Lightning talks	14:45–15:15 Poster prize ceremony and closing remarks
Coffee break	Coffee break	
15:45–17:00 Innate Immune and tissue cell interactions	15:45–16:45 Poster session II	from 16:00 Guided tours
17:00–18:30 Poster session I	16:45–18:00 Host-microbiota interactions	
18:30–19:30 EMBO keynote lecture	18:00–19:00 Feedback lightning talks	
from 20:00 Get together	from 20:00 Conference dinner
